

2019-2020 DOSA WORKSHOP CALENDAR

SEPTEMBER

Brian Hiller

September 14, 2019

8:30am-1:00pm

Viva la Musica!

The goal of this workshop is to provide elementary music specialists with a variety of learning activities that can be used with success right away in their music classrooms. Many elements of music will be explored and will incorporate Orff Schulwerk media including speech, singing, movement, non-pitched and pitched percussion instruments as well as recorder. All activities will support curricular goals and state standards. Folk songs, original material as well as pieces from the Volumes will be explored.

OCTOBER

Josh Southard

October 12, 2019

8:30am-1:00pm

It's All About the Process: Keetman's Rhythmic Building Bricks & Beyond

Using the elemental rhythmic building bricks, we will explore improvisation and composition in the classroom. Diving into pieces and examples from the Music for Children volumes and supplements, as well as children's literature, participants will learn how to play, improvise, create, and expand on them. Come ready to Sing, Dance, Play, Move, and CREATE!

NOVEMBER

AOSA National Conference

November 20-23, 2019

Orff Elevated: Salt Lake City, UT

Meet with Orff educators from all over the country during AOSA's National Conference. Find your fellow DOSA friends and make some new ones at this fantastic professional development opportunity!

FEBRUARY

DOSA Chapter Share

NEW DATE February 1, 2020

8:30am-1:00pm

Cruisin' through Concepts

Join us for member led sessions about teaching specific musical concepts. Need activities to teach rhythm? How about a song to introduce fa? Have a favorite something to share? This workshop will be a grab bag of lessons for all students kindergarten through fifth grade. We will end at noon to have time for a potluck lunch.

MARCH

Debra Navin

March 14, 2020

8:30am-1:00pm

Differentiated Orff: Teaching K-5 through song, dance & recorders

Come find fun and innovative ways to engage students of all skill levels together in your music program. The first half of this presentation will focus on songs and dances for the lower elementary grades. The second half will focus on how to differentiate for recorder and upper elementary instruction. Participants will take home great lessons to use immediately in the K-5 general music classroom.

APRIL

Amy Fenton

April 18, 2020
